*"THE SMALL SCHOOL WITH THE BIG HEART"
"El Colegio mas pequeño con el corazón mas grande"*

Dear Parents,

18th January 2019

I can't quite believe that week two of the Spring term is already at an end! Time is flying by so quickly and I think that it is due to all the wonderful children and staff who are working so well together supporting me as I settle in. I now know all the children's names and I would love to be able to match them to their parents as soon as I can, so it was wonderful to see so many parents at the marvellous film night on Wednesday. The animations the children produced with Sheryl the animator were really creative, funny and demonstrated real quality work. ¡Bien hecho! Hiciste un excelente trabajo.

We have also had our first taste of winter for 2019 this week and it was great to get out in the snow at playtimes and after lunch. I think it took us all a little bit by surprise and I have made myself a mental note to make sure I keep a good pair of snow boots in the back of my car at all times. It is also really important that the children always have access to the right gear so we can make the most of the marvellous opportunities that the snow brings. Could you please ensure that your child is well prepared for our wonderful weather!

David Napthine, researcher for our **Aspirations Project**, will be visiting school on Friday 25th January. David will have lunch and then run a workshop for KS2 children about the concept of aspirations. We are looking forward to welcoming him to our little school.

Spanish Football - first session to start on Thursday 24th January. For those children staying, pick up at 1615 please.

School Website – we update this on a regular basis and it is always worth having a browse through.

Atentamente
Tim Hiley and Staff
