18<sup>th</sup> October 2019

Dear Parents,

As we move into the last week of the half-term there are quite a few loose ends to tie up, especially with things such as dinner money, trip forms etc. We would be very grateful if you could spare a few minutes to check through the newsletter so you have got any important information you may need before the holiday.

**Harvest Assembly** - Monday 21<sup>st</sup> October at 2pm in the school hall. This is a community event and we're holding a raffle as well as refreshments with all money raised going to support the work of UTASS, so we would love it if you could come along and join us.

**Dinner Money** – Individual notes will be in the green folders regarding payment for the final week of this half term. Please can this be paid in on Monday 21<sup>st</sup> October as this is when the funds will be collected by an outside company. Many thanks.

**Discovery Museum Trip** – Many thanks to all who have brought in the consent slip and voluntary contribution for the trip to Newcastle Discovery Museum on the 8<sup>th</sup> November. Please can the remainder be brought in by 21<sup>st</sup> October. Many thanks.

**The Little Read** - Wearhead Primary has been selected as one of two schools to receive a fully funded whole school workshop called THE LITTLE READ from New Writers North East in association with the Durham Book Festival. This will take place in school on Friday 25<sup>th</sup> October in the morning. After a very quick lunch, the creativity will continue as WPS join friends from St. John's Chapel and Rookhope schools at Killhope Leadmining Museum to watch a dress rehearsal of a play called Rose and Robin. Transport to the event is being generously paid for by a grant from DCC's Community and Culture development team.

**Rugby Kits** - Message from Mrs J: please can all junior rugby kits come back to school as soon as possible - many thanks to everyone who has already done this.

The children had a wonderful time on Monday with Mr Hopper. The session was all about preparing a fire pit, lighting techniques and then lots of cooking...almost a three course meal! The teamwork, connections and fire safety of the children were outstanding. Please see the website for photographs.

Atentamente
