*"THE SMALL SCHOOL WITH THE BIG HEART"
"El Colegio mas pequeño con el corazón mas grande"*

Dear Parents,

1st February 2019

Winter returned with a flourish today and I would like to say a big well done to everyone, staff and children, for managing to get in to school through some difficult conditions. Due to the nature of the snow this morning the conditions varied from a slight sprinkling on the ground in some places, to heavy snow and covered, very slippery roads in others. As you know, we always strive to make sure that school is open, in some capacity, in very bad weather but if things do become extremely bad, meaning it is dangerous for staff or children we may have to close. It is therefore very important that we have up to date contact information for everyone so we can communicate any closures with you quickly. If you do change you mobile number, address or any other emergency contact details, please let us know as soon as possible so that our records are always up to date.

The positive side of snowy weather is that it gives us the opportunity to get outside and enjoy the snow together using our sledges and other winter play equipment. It was fantastic today to see the children enjoying the snow but more importantly it was fantastic to see them helping and supporting each other. The juniors were brilliant at helping the younger ones have fun on the sledges in a safe yet exciting way and the ice igloo that is taking shape on the playground will probably still be here in the spring! Developing these social and caring skills is so important and the snow gives us a great way to do this.

It is vital that the children have the right gear for the weather to make sure they keep warm and dry and can enjoy outdoor activities whatever the weather. We still have a few children who do not have waterproofs, gloves hats etc in school. If you do need to get waterproofs and are unsure of where to get the best deal we can order these for you from School Trends. All Weather suit (2 piece)- £11.00 – red or Navy. School Trends waterproof trousers- £5.99 – black or navy. Boyes also sell waterproofs packs. Please let the office know if you wish to order from School Trends.

Request from Mrs Hayes – Do you have a small portable karaoke machine that is no longer wanted? If you have the Youth Club would gladly make use of it. Many thanks

Atentamente
Tim Hiley and Staff
