Working together to support each other

Issue 25 – Friday 23rd October

As we come to the end of another very unusual half term I want to say a huge thank you to parents', staff and children for their hard work making sure our school continues to be a special place even though things are difficult at the moment for everyone. There have been some wonderful enrichment activities over the past two months including our circus skills workshops our virtual trip to Spain and our wonderful scarecrow making day today. As well as this, staff have worked tirelessly to ensure children have been supported academically and emotionally after such a long time away from school.

I hope everyone manages to have a restful half-term holiday and whatever the current restrictions are, I hope there are ample opportunities to enjoy being outside and having some fun. We will all be looking forward to welcoming the children back on **Tuesday 3rd November**.

Craft Club

Craft club for children in Key Stage Two will begin after half-term. Mrs Corbett will be helping the children explore a range of crafts including Christmas crafts every Wednesday from 3.20pm - 4.15pm. All the children in Class 2 have expressed an interest but we will be asking for parental consent and confirmation immediately after the holiday. As the crafts will be developed over a number of weeks we are also asking that children make a commitment to join the club for the half term and attend each session unless there is a specific family or other reason why they need to miss one.

Harvest food bank

A huge thank you to parents' who sent in donations for the food bank this week as our Harvest Contribution. The food bank is vital in supporting those families who are struggling because of the pandemic or for other reasons and now more than ever it is important to ensure it is as stocked up as possible with donations.

Dinner Money

The term starts on 3rd November so for those who pay weekly the meal cost will be £8.40 per pupil. For those who prefer to pay on a half term basis Mrs Hayes has sent a separate email showing the cost. Many thanks.

Milk/Juice Money

The school still has enough in the funds left over to pay for the next half term. Many thanks.

Relaxation Tips for the Holiday

The Bugs Group Team have some tips on relaxation and breathing to help boost the mood, immune system and positive thoughts. Here is a link so that you and your children can take part in yoga adventures, breathing and relaxation over this half term. <https://www.thebugsgroup.com/the-bugs-group-activities-page/> Have fun!]

Quote for the Half-term Holiday

"I'm so glad I live in a world where there are Octobers."

From "Anne of Greengables" by L M Montgomery
