Working together to support each other

Issue 29 – Friday 27th November

I am delighted that as we come to the end of another week the children have reached their next milestone of earning 300 Dojo points to earn an additional playtime. This is a result of hard work in class and the children demonstrating all the excellent values that we expect to see in our school. Their next challenge is to reach 400 points by the end of term and I am sure if they continue to work and earn at this rate they will easily achieve this. If they manage to hit this target they will earn a special Christmas film afternoon.

Goodbye Mrs Stembridge

We are very sad this week to be saying goodbye to Mrs Stembridge. During her time at school she has helped children right across the school with their learning and has given the school so much. Her fantastic artwork in our new renovated library and cloakroom is truly wonderful and will remain a lasting legacy at school, inspiring children to read for many years to come. I am sure you will wish to join me in saying thank you and in wishing Mrs Stembridge all the very best as she looks forward to new opportunities to put her creative talents to excellent use in her new ventures.

Hello Mrs Neadham

From Monday, we will be joined by Mrs Jeanette Neadham who will initially cover Mrs Stembridge's duties up until Christmas. Mrs Neadham is a trained teacher with a background in supporting children with additional needs. I know she will be made to feel very welcome and will be an excellent addition to our team here at Wearhead.

Reminders

Christmas Clothes Week

Just a reminder that during the week beginning Monday 7th December we are inviting children (and staff) to come into school wearing Christmas items of clothing. It might be a Christmas Jumper, Christmas socks or anything else Christmassy. They could choose to wear the same item every day or something different each day. The choice is theirs'.

Christmas Lunch

Chef will perform his usual magic and make a wonderful Christmas Lunch on Wednesday 16th December.

Quote for the week

You can't use up creativity. The more you use, the more you have.
