Working together to support each other

Issue 30 – Friday 4th December

We have had a very Christmassy end to the week with our first fall of snow at school. This led to some fantastic sledging and snowman building opportunities for our first session of the day! It was great that the children had their winter weather gear ready which meant we could get straight out to enjoy the snow, so a big thank you for ensuring they were all prepared. We are now ready to rush headlong into Christmas preparations with all sorts of activities coming up over the next two weeks to look forward to.

Christmas Clothes Week

Just a reminder that during next week we are inviting children (and staff) to come into school wearing Christmas items of clothing. It might be a Christmas Jumper, Christmas socks or anything else Christmassy. They could choose to wear the same item every day or something different each day. The choice is theirs'. **However, we will still be**

doing all our usual things so can Junior children please still come to school in PE kit on Tuesday. We will also be going outside for breaks whenever possible so the children will still need their outdoor waterproof weather gear and spares of socks etc.

Quote for the week

Kindness is like snow- It beautifies everything it covers.

Kahlil Gibran - Lebanese Author

Have a wonderful weekend.
