Happy Friday everyone!

TEAMS – Virtual sessions

Thank you to everyone who joined our first TEAMS catch up today. It was lovely to see so many of you and find out what you're doing at home and sharing what's happening in school. Thank you to everyone who tried to join us – we appreciate that we're relying on the technology working for us when we want/need it to. Please check emails as we'll send out more dates and invitations in advance, as and when we have them.

Work packs (Week of 25.01.21)

Work packs for next week are ready for either drop off or collection. Please have completed work ready for pick up if we are dropping off your packs, or bring it with you when collecting new packs. Completed work is being 'marked' and we're giving feedback as needed.

As always, we're here to help and support the children and parents/carers however we can. If you need help with any of the work, please telephone, email or Dojo message us and we can talk through and/or share links or extra documents with you and the children.

Reading Books

We're happy to send reading books home. Please let us know if you'd like us to sort this for you.

Please note: Returned books will be quarantined for 72 hours before being put back in the Library or passed on to another child.

Class Dojo

Please check Dojo regularly for messages – we're adding Whole School, Class and Individual messages. We'd love to see examples of work that you're doing during the week; images can be uploaded to the children's personal Portfolio and we can give feedback on the work. Thank you to everyone who has been posting already.

Good News

This week's Good News comes from ... Sami and Layla who have been having some fantastic snow exercise!
