Leavers Assembly and Family Day

Dear parents & carers,

Following recent advice published by the DFE, we are delighted to let you know that we are able to hold Our Leavers and Family Day at the end of this term.

Our Leavers and Family Day will take place on Tuesday 13th July (weather permitting) and will start at 1.30pm. All of the events will take place on the yard and school field. We will arrange seating for parents/carers outside that will follow current social distancing guidance (this must be adhered to by all adults please).

Unfortunately, no adults will be permitted inside of the school building; therefore, we are unable to offer access to the toilet facilities. We are allowed up to 30 visitors to the school grounds at any time, so in the first instance, we will allocate 2 places per family.

Please complete the attached reply slip and return to school as soon as possible, so that we know how many adults wish to attend. All visitors attending will be required to complete a form to hand in on the day, which provides details for track and trace purposes. These forms will be securely disposed of three weeks after the event.

At the start of the afternoon, we will have a short assembly and presentation for our Year 6 children (who will be leaving Wearhead Primary School in July) where the rest of the children will say goodbye and wish them good luck.

The assembly and presentation will be followed by family craft activities. Please feel free to bring a picnic blanket, snacks and drinks.

Please be aware that all arrangements are subject to current Covid Guidance and may need to change at short notice.

We hope that you can join us and look forward to seeing you all there.
